

DREAM BIG ***SCHOLARSHIP*** ***ONLINE CLASS GUIDE***

2025 EDITION

DREAM BIG SCHOLARSHIP ONLINE CLASS GUIDE

The Dream Big category of the Ron H. Olson Annual Scholarship is for residents aged 55 or older on the lease of an apartment community for which HCA is a partner. Dream Big funding supports the cost of in-person or online educational classes, workshops, or memberships at verifiable business and organizations where a third party (HCA) can easily pay for these by check or card on behalf of an incoming student or member (a scholarship recipient). Keep in mind that HCA does not reimburse scholarship recipients with scholarship funding. We make direct payments to the business or organization only using recipient award funding.

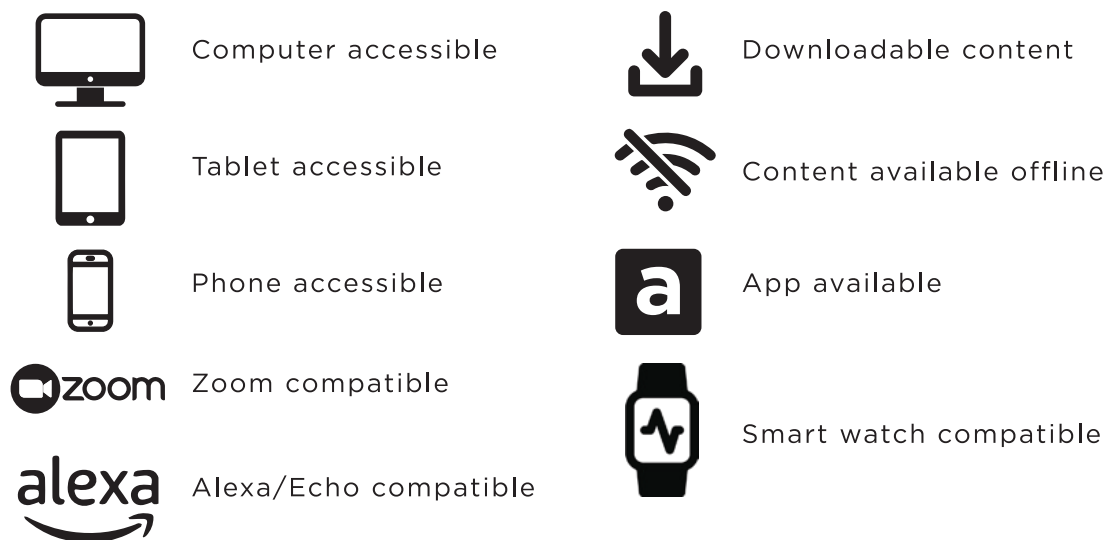

This guide is designed to assist those of you interested in pursuing an online educational experience. It lists some popular and reputable online businesses with a convenient gifting portal that are known for their ease of accessibility, quality of education, and (relatively) reasonable pricing. There are many other online businesses where a scholarship award can be applied—you are not required to pursue one in this guide—but we hope this list gives you a helpful starting place in your research.

HCA does not have a relationship of endorsement or sponsorship with any of the resources in this guide. The pricing is accurate as of March of 2025, but can be subject to change with time. Please do double check all pricing and class information before finalizing your scholarship application.
